Dominique A. Nicks Scholarship

This scholarship will award \$1,200.00 for no more than (2) tuition scholarships for financial assistance to families with children, new or existing, entering UCS.

Statement of purpose of the Dominique A. Nicks Scholarship

The purpose of the Dominique A. Nicks Scholarship is to serve as an outreach ministry to the community for those who cannot afford to attend University Christian School in grades 1-12. It can be used as a recruiting tool for those who are outside the current enrollment, desiring to make a Christ-centered decision for a godly foundation that is offered through UCS.

The following criteria have been established in the administering of this scholarship for UCS:

- 1. Scholarship will be used for tuition only and not activities fees (yearbooks, late fees... etc)*
- 2. Scholarship awards will be credited to a student's account with UCS. No monies will be given directly to the student/parent or guardian under any circumstances.*
- 3. The students may receive this scholarship for a maximum of two years only.*
- 4. Any student on a scholarship who fails to attend UCS in the consecutive fall/spring semester or drops below required enrollment status would forfeit his/her scholarship.*
- 5. Any student on scholarship who does not maintain the required cumulative grade point average will forfeit the scholarship. There is no probationary semester.*
- 6. Any student who is repeating a grade cannot qualify for a scholarship.*
- 7. Any student who ceases to attend classes and fails to withdraw officially will forfeit his/her scholarship.*
- 8. Any student expelled from school because of a disciplinary reason will forfeit his/her scholarship and will not be able to reapply.*

Non-Discriminatory Policy

University Christian School is a selective admissions school looking for students whose lives and achievements best exemplify the mission of our school. University Christian School does not discriminate on the basis of race, gender, economics, country or origin, or ethnic origin in administration of its educational policies, admissions policies, scholarship programs, and athletic and other school-administered programs.

Date: _____

Application for School Year: _____
